## NOTAS

| Variable  | Notas   |
|---|---|
| Número de sitios de disposición final de residuos sólidos urbanos | A partir de los datos de 2010, la fuente considera los resultados definitivos del Censo General de población y Vivienda 2010. Con la publicación de la Ley General para la Prevención y Gestión Integral de Residuos en mayo de 2003, lo que se conocía como residuos sólidos municipales, pasa a ser residuos sólidos urbanos. En el caso de sitios no controlados el número de éstos no se tiene registrado ya que comúnmente se trata de tiraderos clandestinos. |
