NOTAS

| Variable | Notas |
|--|---|
| Producción pesquera de embarcaciones menores | Los datos se refieren a peso desembarcado; se basan en la información reportada en los avisos de arribo de embarcaciones menores por sitio de desembarque. |
| Número de días de pesca | Los datos se basan en los avisos de arribo de embarcaciones; se obtienen por compilación de los días de pesca reportados por embarcación, sitio de desembarque y periodo. |
| Número de embarcaciones menores | Los datos se basan en los avisos de arribo de embarcaciones menores; se obtienen por compilación de los registros de estas embarcaciones por sitio de desembarque y periodo. Este tipo de embarcaciones tienen menos de 10 toneladas de registro bruto. |
