NOTAS

Variable	Notas
Recaudación obtenida por uso, goce o aprovechamiento de la Zona Federal Marítimo Terrestre	Los montos de recaudación corresponden a los captados en términos de los artículos 211-B y 232-C de la Ley Federal de Derechos. Las funciones operativas de administración en relación a estos ingresos federales son asumidas por los municipios con base en e los Convenios de Colaboración Administrativa en materia fiscal Federal (CCAMFF) y el Anexo 1 de dichos Convenios.   Los datos de 2010 a 2014 fueron modificados por la fuente con base en cifras obtenidas de las delegaciones federales de SEMARNAT en los 17 estados costeros de México. No incluyen recargos y multas.   Los datos a partir de 2015 han sido verificados por la fuente con base en la información de la Cuenta Mensual Comprobada de Ingresos Coordinados proporcionada por la SHCP a la DGZFMTAC.
